A NOTE FROM OUR CO-FOUNDERS

As we close out Q3 and kick off Q4, our hearts are overflowing with gratitude. Crossroads Corral is beginning this next chapter in our forever home, a dream we've carried in our hearts for so long. More than a place for our horses, this is a place of hope, healing, connection, and belonging, a stable home for the community we love and serve.

 **1545 Palm Way, Sanford, Florida**

Thank you to everyone who has supported our mission. We can't wait to see what the future holds and look forward to welcoming you soon!

CLIENT IMPACT

Sometimes Healing looks like learning to play!

Recently, one of our young therapy horses (Jagger) helped a client experience something simple but powerful: the freedom to play, connect, and just be present.

It's moments like these that remind us why the human-horse connection is so impactful, and we are so blessed to be able to serve our community.

"This program and the interaction with the horses have shown me things that traditional therapy couldn't. It has given me additional tools that I didn't have before from the nonverbal feedback the horses provide.

The horses are able to show me things about myself that words have not been able to. It has been a truly moving and educational experience."

CONCLUSION

So much excitement is on the horizon, and we are so grateful for everyone who helps us to serve the community. We expect our barn, "**The Kim Van Gundy Legacy Barn**," to be completed by early December and our Covered Therapy Arena, "**Arena of Hope & Healing**," to be completed by Mid-November.
